What's on at Scenic Matavai Resort Niue

**SCENIC**

*Matavai Resort Niue*

# Slice of Paradise

At Scenic Matavai Resort Niue guests can enjoy two very unique food and beverage offerings. The Pool Bar & Café and the Dolphin Restaurant & Bar are open 7 days a week and showcase the most stunning views of the surrounding bays and coastline.

Our philosophy is to source produce from Niue Island through our local fishermen, village markets and the hydroponic farms. Sourcing locally requires us to be very resourceful and at times certain food items are out of stock but, a replacement option will always be available.

The Resort hosts themed evenings ranging from live performances to our popular buffet nights. We highly recommend booking ahead, especially during high season (April–November) and bookings are essential for our Buffet Nights (Thursday & Friday). Check our schedule to find out what is on each night.

We hope you enjoy the spectacular sights and sunsets when dining with us at our restaurant and bar. For guests wanting to enjoy a private view, room service is available.

**Please note:** Guests with any dietary restrictions need to inform Reception upon arrival to ensure our Kitchen team are aware and can accommodate you. Reservations are essential during the high season.

# The Dolphin Restaurant and Bar

Located within the resort's main building the Dolphin Restaurant & Bar offers indoor and outdoor dining options. Guests can enjoy 180 degree views up and down the coastline of both Avatele and Tamakautoga Bays from our stunning expansive deck area.

Open all day from breakfast until late our signature restaurant and bar specialises in offering guests Niuean infused and Pacific Rim cuisine at its best.

During your time at the Resort take advantage of our prime views in front of the dining areas to experience dolphins swimming by. Through the months of June to September Humpback whales visit Niue during the annual migration path. If you hear the bell ring that means that a whale is in the bay. Viewing them from the resort's deck is a must.

## Breakfast

**DAILY 7am – 10am**

Served in the buffet area our traditional Tropical Island Breakfast Buffet offers locally sourced fresh fruit and local specialties, cereals, baking selection, coffee, tea and juice station. A la carte breakfast is also available as an alternative option, including smoothies and espresso coffees.

## All Day

**DAILY 11am – 5pm**

Choose from a range of meal options such as a selection of salads, pasta, vegetarian and open sandwiches. We also offer some classic comfort food as well as traditional island classics such as fresh beer battered or grilled Fish and Chips.

## Dinner

**DAILY 6pm – 9pm**

Something different each night. See our 'What's on' section for evening entertainment and dinner options.
