ABOUT FOX GLACIER

Named after a former New Zealand Prime Minister, Sir William Fox (1869-1872), the tiny township of Fox Glacier lies in the foothills of the majestic Southern Alps on the west coast of New Zealand's South Island.

Renowned the world over as a pristine wilderness area, New Zealand's Glacier Country draws adventurers and travellers to experience first-hand the natural wonder of this unique alpine landscape and ancient geological features.

Twinned with nearby Franz Josef township, Fox Glacier is a welcome haven of hospitality for travellers to the region.
